A division of KW Larkin Enterprises

From Bigwigs to Big Wigs, McGarity Moving & Storage Delivers.

For more than 30 years, we've given our corporate and industrial customers the award-winning confidence and experience needed to keep business moving. From corporate executive relocations and office and industrial moving, to getting your goods from dock to dock. And, to help you stay focused on your business, we can handle all your packing needs - so the only finger you'll have to lift is to open the door of your new space. Even better, we work within your budget by performing a free pre-move survey to help determine a moving plan that works for you.

Executive Relocation Has Never Been Easier

It's been said that a happy employee is a productive employee. Well, thankfully, our Corporate Executive Relocation services are enough to make any newly relocated employee feel right at home. That's because we offer professional packing and unpacking services for all or part of their move, plus short- and long-term storage facilities. So they can be settled in and ready to work in no time.

Local, Long Distance, and Everywhere In-Between

Whether you're moving your office around the corner or across the country, McGarity Moving & Storage is ready. Our extensive fleet of trucks - not to mention attentive and caring drivers - have serviced companies like yours in just about every nook and cranny possible - so we know our way around. Hopefully we'll see you in your neighborhood soon.

Storage, Storage, and More Storage. (Yes, We've Got Plenty of Space to Meet All Your Needs.)

Aside from our award-winning service, we also offer clean and secure storage in our top-of-the-line containerized storage vaults. You can rest easy knowing that your products, furniture, or whatever else you need to store will be safe and sound in a climate-controlled, pest-free warehouse with state-of-the-art safety and security technology in place. Even better, we have a cornucopia of document-related services for you to choose from, like: boxed record storage, open file storage, computer tape storage, certified record destruction, document management and retrieval, coded inventory, and more. At your request, we'll gladly give you the specs of our storage vaults.

Did Somebody Say Packing Supplies?

Yes, we also have an impressive array of packing materials - boxes and crates of all shapes and sizes, packing tape, bubblewrap, and more. We'll even handle your custom crating and other packing needs. Just say the word, and we can get you what you need, when you need it. It's truly that simple.
